

RAW UNLIMITED

CAPABILITY STATEMENT

UEI: UFRVWVHG3CY7

DUNS: 100506530

CAGE: 90JP6

RAW Unlimited is a trusted provider of high-quality products and procurement services, specializing in meeting the needs of government agencies across multiple industries. Established in 2020 by Reginald Wimbush, our company evolved from a successful retail business to focus on supporting federal, state, and local governments. While we are new to government contracting, our proven expertise in sourcing and logistics positions us as a reliable and adaptable partner for government procurement needs.

Core Competencies

- **Product Sourcing and Delivery:** Reliable procurement and on-time delivery of high-quality products across diverse industries.
- **Government Contract Support:** Comprehensive assistance with bid preparation, documentation, and submission processes.
- **Regulatory Compliance:** Ensuring adherence to government standards and regulations, including FAR and DFARS.

Differentiators

- **Commitment to Reliability:** We ensure quick and accurate fulfillment of procurement needs with dependable service.
- **Compliance and Expertise:** Adherence to government standards and regulations, backed by years of retail experience.
- **Adaptability:** Ability to source a diverse range of products tailored to unique agency requirements, ensuring flexibility and responsiveness.

Certifications and Registrations

- **Minority-Owned Small Business (M.O.S.B)**
- **NAICS Codes:**
 - 423990: Other Miscellaneous Durable Goods Merchant Wholesalers
 - 424120: Stationery and Office Supplies Merchant Wholesalers
 - 423910: Sporting and Recreational Goods and Supplies Merchant Wholesalers

Past Performance

RAW Unlimited has extensive experience in the private sector, providing high-quality products and exceptional service to retail customers. Since 2020, we have successfully managed sourcing, logistics, and delivery operations, building a strong reputation for reliability and efficiency. This foundation equips us to seamlessly transition into the government procurement space.
